challenge

TURBOLINE™
GUTTER BROOMS

ANOTHER INNOVATION FROM

UNITED
ROTARY BRUSH CORPORATION

Available *ONLY* through United Rotary Brush Corporation!

Put the power of TURBOLINE® to work for you.

Conquer recyclability

Recycling Turboline is easy... simply remove the tufts and you're ready! Turboline Gutter Brooms are part of the SmartSweep™ line of recyclable road brooms.

Conquer storage issues

A sweeping revolution? Maybe. But certainly a smart investment for you! Three times as many Turboline gutter brooms fit on a pallet than wire gutter brooms!

Wire Gutter Brooms
(16 Brooms)

TURBOLINE Gutter
Brooms (48 Brooms)

Conquer every sweeping challenge

With Turboline, you can customize your gutter brooms for every season and sweeping condition. Keep the plate...change out the tufts. You decide which combination is right for your sweeping application.
